

KIDS CORNER

There is a call out for pirates to hunt for treasure! Are you game? If so, say, "Aye, aye, Captain" and don't sound like a lily-livered landlubber when you do. Beware of dangers along the way – a hungry crocodile, a ferocious jaguar, a snake pit, and a threatening buzzard. There be treasure to find, but it be not quite what a young pirate expects.

Everybody play nice, or you'll be send to Davy Jones's Locker!

We ship out on the 24th day of the 4th month, and your marching order will come to the door by the gate keeper. The plunder is close, but still a fistful of planks away. The idol to be found lies in a place as dark as the inside of a pirates eye patch. When you have resurrected the idol, bring it to the pirate who flies the blue flag and trade it for your treasure.

Beware of Davy Jones, he'll take you to his Locker!
