----UP COMING EVENTS ----

November 10----- Thanksgiving Dinner

December 1----- Ladies Luncheon/Gentlemen's Revue

---FROM THE COMMODORE---

- Ahoy BYC peeps,

Much has happened since the last bits came out, we had a pretty successful October!

Kudos to all who made it possible, starting with Steve and Kim and their crew for making the Seafood Boil a smash hit! Thanks also to a great cleanup crew, Billy Bones, Rich, et al.

We also had a fine day of racing and found a new home for the Carlyle Cruiser's Cup in our clubhouse.

I heard from the grapevine that the Chili Cook off was well attended, congratulations to Kim for the winning entry.

Coming up in the near future is our Ladies Luncheon/Gentlemen's Revue Dec. 1st.

I've picked a venue that I think some of you might be familiar with, the Triumph Grill, 3419 Olive Street, St. Louis, Mo. They can give us a private room for up to 30, with extended room for more if needed. They suggest either a buffet lunch, or a custom menu with selections that would be \$15/person including non-alcohol beverages, tea, coffee etc. with cash bar at regular prices. They can also offer their full menu if we can give them our orders in advance, which would require us to RSVP. I'll leave that one on the table for further discussion.

Recently our good friend Rich Sutorious asked me to participate in a photo shoot of his boat for the magazine 'Good Old Boat'. It was my pleasure to provide a platform for the photographer on a very nice fall afternoon.

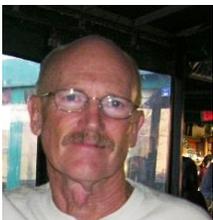

Thanks Rich, for asking, thanks also for the very fine 12 yr. old Jamaican rum.

Looking forward to seeing at the Thanksgiving Dinner.

---FROM THE VICE COMMODORE---

- Recently Jeff Gates co-founder and first commodore of BYC passed away. Along with a burgee and a photo of Orca and Paradise, previously owned by the Gates, I would like to share with the BYC membership what I wrote in the sympathy card I sent to Jeff's wife Barbara.

"Dear Barbara,

On behalf of the Boulder Yacht Club I would like to extend our profound sympathies to you and your family. The first commodore and charter member of BYC Jeff was well respected and a friend to all who knew him.

I was, on the other hand at the Seafood Boil – what a great turn out for a very deserving charity. Thanks to all who contributed to the effort and made it all happen, especially our hostess Kim Cantino and first mate Steve.

I wish to personally thank those of you who made additional donations to “Got Your Six Support Dogs” it is greatly appreciated. \$210.00 of direct donations were made by those who could not attend or just wished to contribute a little more - Thank You!

----FROM THE RACE CHAIR ----

- Ahoy fellow boaters,

The racing season is over. In review we had great turn outs for the Moonlight and Commodore's Cup races. Our great finishes, helped us win the Lake Wide Cruiser's Cup. I wish to thank all of those who participated. For our club races three boats consistently participated in all the races and their perseverance paid off. First place goes to *Algeciras*, second place to *Kestrel*, and third place to *Paradise* captains and crew. We three had fun especially on the next to last race as the three of us chatted while all having a great start.

---FLOTSAM AND JETSAM---

This is the time of the year when you have to decide do I leave my boat in the water with a bubbler or take it out for the winter. It's also the time you should inspect things that needs repaired, like your rigging, weak water pumps, weak fuel pumps, fuel filters, and finally those dirty, stretched, or torn sails. Sending those sails off to get worked on early could get you in the water a lot sooner next spring. I always say I am going to be a smart boater and make those necessary repairs on those slightly warm days in the winter, but I never do, maybe this year. Some boaters clean their boats when they take them out, but I found I still have to clean it when I put in in, you just have to decide what is best for you. One thing you must do whether you leave your boat in or out is close up openings no matter how small. Lack of people around and cold weather will cause unwanted guest to invade your boat for the winter. These unwanted guest could damage the interior of you boat or just be a pain to get rid of next spring.

The pessimist complains about the wind. The optimist expects the wind change. A leader adjusts the sails
